I.C. MUGETA, J.

This is an application for extension of time to file appeal out of time. The reason advanced by the applicant is that the copy of judgment was supplied while the period within which to appeal had expired. This fact is hardly disputed in the counter affidavit.

The application was argued by way of filing written submissions. While the applicant filed it timely, the respondent filed none. I find the reason that copy of judgment was delayed a good cause for which this application ought to be granted. I accordingly grant the application without orders as to costs because no party can be faulted for the delay to supply the judgment.
