This is an application for extension of time to file an application for leave to appeal to the Court of Appeal. According to the affidavit, the applicant filed such an application on time but it was struck out on 24/3/2021 for wrong citation of the enabling provision. On 9/4/2021, this application was filed. It follows, therefore, that the cause of the delay is technical one which is a good and sufficient cause upon which applications of this nature can be granted. I find merits in the application which I hereby grant. The intended appeal to be filed within fourteen days from the date of this order. Each party to bear own costs.
