ORIGINAL JURISDICTION

AT MWANZA

CRIMINAL SESSION CASE NO. 110 OF 2021

THE REPUBLIC

VERSUS

AMIRI S/O ALLY @ ISHENDA

ORDER/SENTENCE:

The accused is a first offender and his conduct after the commission of the offence shows his contrition as he has been confessing and has simplified the criminal justice system.

Besides, the circumstances in which the death occurred militates against a severe sentence. The accused committed the offence while he was taking correctional measures against delinquent behaviors.

Nevertheless, there is no dispute that it is the walloping which led to the death of the deceased.

The chastisement it seems, exceeded its permissible limits. The accused is thus sentenced to one (1) year term of imprisonment.
